Dear Mr Gerber

Response Deadline: February 2, 2011

Chapter 11 Case No 09-50026 (REG)
(Jointly Administered)

Debtors' 141st Omnibus Objection to Proofs of Claim
of Holders of Eurobond Deutsche Debt Claims

(ii) name of claimant and description of the basis for the amount
of the claim

8,37500% General Motors Corp. EO-Notes 2003(33)
identification no 894 451
due 5 July 2033
annual interest due 5 July
bought 15 June 2005
worth 4000 Euro
(see enclosed copy of .comdirect invoice)

(iii) concise statement of reasons why the claim should not be disallowed and expunged

The Debtors believe that my right to a distrubution is already provided for pursuant to the Debtors' Amended Joint Chapter 11 Plan, dated Dec 7, 2010, as my claim arises solely from the notes issued under the Fiscal and Paying Agency Agreement, dated as of July 3, 2003, and the Eurobond Deutsche Debt Claims. They say that all Eurobondholders will receive their distrubutions from Euroclear Bank or another clearing agency after surrendering their securities to Deutsche Bank, in its capacity as the fiscal and paying agent.

As I have never surrendered my General Motors EO Notes to Deutsche Bank, but solely stated my claim with General Motors at the Bankruptcy Court, I do not trust that my claim will eventually be honoured.

Deutsche Bank cannot possibly know about my claim, i.e. the amount General Motors borrowed from me, unless they got notified by the Debtors.

I would therefore ask the Court to make sure that General Motors let Deutsche Bank know about the exact amount of my claim and I receive confirmation as proof, before I surrender my EO-Notes to Deutsche Bank. I trust that this request is not undue and can be granted.

(iv) name, address, telephone number of the person that can be contacted

I am most willing to co-operate in any way and I hope that you can understand that my trust in the integrity of banks and General Motors is not as high as my trust in the integrity of the American legal system. I must, however, state that I cannot possibly appear for the Hearing, nor is my electronic litteracy as highly developed as the Court's instructions seem to presume.

Please let me know of any further action that I need to take.
Thank you for your trouble.
Yours faithfully
